We acknowledge the event location's technical guidelines and Messezentrum Salzburg GmbH's General Terms and Conditions and have taken them into consideration in our project plans (latest GTC to be found at www.mzs.at).

Required documentation

- Stand design plans (ground plan, layout sketches, overviews, scale 1:100), but only from a construction height of 5 m!
- Technical building description (system description)
- Material information (flame retardant, etc.)

Important information and guidelines for two-storey exhibition stands, stands with accessible levels:

- These stands always require a permit
- Prior to planning, consult the technical services department for information on maximum construction height
- Send two copies of each set of plans (ground plan and overview) to Messezentrum Salzburg
- You will not be permitted to construct your stand unless you have submitted your plans for approval
